Dear Commissioner Vega Pederson,

I ride a bus downtown:

☐ Daily ☐ Weekly ☐ Occasionally ☐ Rarely ☐ _____

I request that Multnomah County reserve two lanes on the Hawthorne Bridge for buses only. This summer, during the construction, would be an ideal time for a trial.

This is important for the following reasons:

- ☐ Encouraging transit use is key to improving public health.
- ☐ Bus lanes can move over twenty-five times* as many people as auto lanes.
- ☐ Working people need to be able to count on buses running on time.
- ☐ Transit supports our long-term economic, social and environmental prosperity.
- ☐

Thank you,
